

INTER BOAT MARINAS

Hardwood provides a stylish and classic deck with a warm appearance. The hardwood deck is of high quality. The profiling specially designed by Inter Boat Marinas is relatively flat, which means that the deck parts dry faster and dirt is left behind to a much lesser extent.

Hardwood deck

- Width: approx. 140 mm;
- Height: approx. 21 mm;
- Weight: approx. 3 kg/m²;
- Colour: natural/wood colour;
- Distance of the supports: approx. 600 mm.

Hardwood; for a stylish and classic deck covering! With a warm and distinct wood type, especially for outdoor use.
